

Twin Disc, Inc., Announces Two-for-One Stock Split

RACINE, WISCONSIN—January 24, 2006—Twin Disc, Inc. (NASDAQ: TWIN), today announced that its Board of Directors has approved a two-for-one stock split of the Company's outstanding common stock. The stock split will increase the number of shares outstanding to approximately 5.8 million from approximately 2.9 million.

Holders of the Company's common stock of record at the close of business on Friday, March 10, 2006 will receive one additional share of common stock for every share of common stock they own as of that date. The Company anticipates that the additional shares resulting from the split will be issued in book-entry form on Friday, March 31, 2006. The Company's common stock will begin trading at its post-split price at the beginning of trading on Monday, April 3, 2006.

Michael E. Batten, Twin Disc's Chairman and Chief Executive Officer, stated, "Based on the continued improvement of earnings, the appreciation of our stock price, and the Company's business outlook, we are pleased to be splitting the stock. Twin Disc is a shareholder-oriented company, and the stock split should improve the stock's liquidity and make it more affordable for individual investors."

Twin Disc, Inc., designs, manufactures and internationally distributes heavy-duty off-highway power transmission equipment for the construction, industrial, government, marine, agricultural, and energy and natural resources markets.
